## How about saving 40% - 50% annually on your Workers Compensation Insurance cost.

Members of the Michigan Floral Association enjoy the advantage of being able to participate in the Michigan Horticultural Industries Self Insured Work Comp Fund (MHISIWCF).

The fund has been in existence since 1993 and is one of the highest performing and financial secure self insured work comp funds in the state of Michigan.

To help lower your labor expense get into the fund today. The longer you wait the more you will spend!

*"If you're not in it, you are missing out on lowering your cost and improving your employee coverage, which is very, very important", says Jim Schmidt of Hyacinth House Greenery, Lansing, MI.*

To have a quote issued and to learn more about this incredible opportunity simply fill out the bottom of this letter and fax to MFA headquarters (517) 575-0115. We'll contact you and handle the rest.

Sincerely,

Rodney P. Crittenden  
Executive Vice President
