

LEADERSHIPREPORT

Mark Your Calendar Now for the 2019 Expo

BY KIERSTEN SCHULTE, EASTERN FLORAL, GRAND RAPIDS, MI, 2019 GLFEE CHAIR

As we look towards the end of the year, we find ourselves reflecting upon things we have accomplished and mastered. So it is also with the 2019 Great Lakes Floral and Event Expo (GLFEE). With the 99th anniversary ahead we can look back at all of the exciting things we have learned, the friends we have made, and the changes we have seen.

So, mark your calendar for the first weekend of March, March 1-3, at DeVos Place in Grand Rapids, Michigan, to celebrate “99 Years of Floral Mastery.”

As a busy industry professional, I sometimes find it hard to be as on top of continued education as I would like. This is why Expo is so important to me. It’s the time I get to set aside to learn about new design trends, ways to market my product effectively, how to better serve my clientele and staff, and connect with my industry peers.

Beyond the comradery, making new acquaintances and seeing familiar faces, take a glance at the lineup of speakers and sponsors and you’ll come to find out why GLFEE is one of the leading floral conferences. With seven main stage shows, nine business sessions and eight hands-on classes, there’s something for everyone. From eventology and boho crowns, to celebrating with foliage, there won’t be a dull moment.

It wouldn’t be the premier floral convention without some added perks. While you aren’t busy testing your skills at a hands-on class, or expanding your knowledge at a business session, you can visit with an exceptional group of vendors at the trade show who may have a show deal, or two, you can’t refuse. Just a hop, skip and a jump down the hall, your registration gains you access to the Grand Rapids Home & Garden Show on the other side of DeVos Place. Pretty cool, huh?!

Now let’s get excited about 2019. Start by sharing this with your staff and getting them excited about all of the great things we have in store. Sure, you can read about it, look at all the pictures we post on social media, but there isn’t anything like actually being there. It’s time to start thinking about signing up!

So, there you have it. Take a look at the lineup on the following pages and see if you’re ready to **Educate** yourself and your staff on current trends and design techniques, **Inspire** yourself and others to excel in every opportunity that comes your way, and **Collaborate** with your peers on how to make the next 99 years a success in our beautiful industry. I hope you’ll join me. 🌸
